

Enhance™ High Mileage Motor Oil

Description:

Enhance™ High Mileage Motor Oils are premium passenger car motor oils (PCMO) formulated to protect older engines and extend engine life. These oils are available in 5W-20, 5W-30 and 10W-30 viscosity grades and are blended with highly refined conventional and synthetic base oils, compounded to provide protection against wear and corrosion, prevent oxidative thickening and inhibit formation of engine acids, sludge and varnish deposits.

These oils may be used over a wide temperature range and are formulated to meet the requirements of high mileage vehicles that have accumulated over 50,000 miles and may be experiencing an increase in oil consumption or an increase in leakage.

Applications:

These oils meet or exceed the following categories and requirements:

- API Service SN Plus
- ILSAC Starburst GF-5
- Passenger Car and Light Truck Manufacturers Warranty Requirements

Benefits:

- Provides Maximum Viscosity Protection
- Minimizes Start-Up Wear
- Controls Engine Deposits
- Protects Worn Engines Parts
- Increases Fuel Economy
- Lowers Engine Operating Temperatures
- Extends Engine Life
- Helps Reduce Oil Consumption and Leaks
- Protects Against High Temperature Oxidation

Typical Properties:

Enhance™ High Mileage Motor Oil			
SAE Grade	5W-20	5W-30	10W-30
Specific Gravity	0.8637	0.8605	0.8811
Pounds per gallon	7.194	7.163	7.337
Viscosity @40 °C, cSt	47.4	62.11	76.3
Viscosity @100 °C, cSt	8.1	10.46	11.2
Viscosity Index	142	158	135
Pour Point	-35°F	-30°F	-30°F
API Service Category	SN Plus	SN Plus	SN Plus
