

## Enhance™ Full Synthetic Motor Oil ILSAC GF-6A • API SP

### Description:

Enhance™ Full Synthetic Motor Oils are top-tier, high detergent automotive engine oils formulated specially to meet the stringent lubrication requirements of today and tomorrow's engines. API SP provides emission system, turbocharger, LSPI and timing chain protection and helps to protect engines when operating on ethanol-containing fuels up to E85. These motor oils offer maximum protection against wear, rust, corrosion, oxidative thickening, acid formation, sludge, and varnish due to the synthetic base oils combined with carefully selected additive packages.

### Benefits:

- Maximum Level of Protection for Thermal and Oxidation Stability
- Formulated for Extreme Driving Conditions

- Outperforms Conventional and Synthetic Blend Products
- Outstanding Low and High Temperature Performance

### Applications:

These oils meet or exceed the following categories and requirements:

- API Service SP, SN Plus, SN, SM, SL, SJ
