

Enhance™ Synthetic Blend Motor Oil API SP

Description:

Enhance™ Synthetic Blend Motor Oils are formulated for turbo charged and naturally spirited gasoline, propane, natural gas engines in passenger and light duty truck service. These oils are designed for use in US, European and Japanese passenger cars, vans, SUVs and light duty trucks.

API SP helps prevent pre-ignition and wear and provides improved cleanliness and fuel economy.

Applications:

These oils meet or exceed the following categories and requirements:

- API Service SP, SN Plus, SN, SM, SL
- Passenger Car and Light Truck
Manufacturers Warranty Requirements

Benefits:

- Protects the Engine in Controlling Varnish, Deposits, Rust, Corrosion, Wear, and Cleanliness
- Enhances piston cleanliness
- Minimizes start-up wear
- Reduces oil consumption
- Increases sludge protection

Typical Properties:

Enhance™ Synthetic Blend Motor Oil		
SAE Grade	10W-40	20W-50
API Gravity @ 60°F	31.4	29.4
Specific Gravity @ 60°F	0.8689	0.8794
Flash, COC, °F	430	430
Pour Point, °F	-30	-30
Viscosity @ 40°C, cSt	97.2	156
Viscosity @ 100°C, cSt	14.9	19
Viscosity Index	160	139
API Service Category	SP	SP
